

THE CEO SPEAKS...

Presents:

This seminar is aimed at highlighting various key economic and business potentials of the ASEAN Economic Community (AEC) which will come into being in 2015. This will lead to a single market with GDP of more than USD 2 trillion and market size of 620 million population in ASEAN. It will also lead to greater integration with the global economy through various agreements and cooperation programs..

Business and investment potentials would be tremendous. The move would significantly reduce the cost of doing business and boost its attractiveness as an investment destination.

Mr. Ravidran from Ministry of Trade and Industry (MITI) will share with us the effects and impact of AEC on your business and how you should react to cope with the realization of AEC.

Capitalizing on ASEAN Economic Community (AEC)
